Batman is the billionaire playboy who disguises himself as a night-time vigilante and fights crime with a brilliant technology-enhanced exoskeleton. Christian Bale, whose Batman trilogy of movies was named after the fictional city of Gotham, stars in this much-anticipated DC Comics movie. The film sees Christian Bale as a washed-up ex-superhero, driven by a wounded sense of vengeance, who takes on Gotham's most brutal criminals and rises to become a tyrannical new Dark Knight. Batman Begins (2005) Batman 2 (2007) ▶ Please, Subscribe to my channel : Hello guys! I know this video is a little bit late, but I hope you enjoy this! Now let's check out how to remove a nickel from a diaper with little baby's hands! Okay, so let's get to it... Can a baby's hands really remove a small nickel?...Why is it so hard for them? Is it because they are so small and the nickel is so large? Tricia... The theme music by the composers of Gotham was published on the soundtrack soundtrack Gotham by using an alternate title Track in the beginning of the film. It was also used in the opening credits and several other scenes during the film. The arrangement was a success, charting in the United Kingdom and United States and reaching #4 on the U.S. soundtrack. The Joker, The Penguin, Riddler and Two-Face as well as Catwoman, Poison Ivy, Harley Quinn, Mr. Freeze, Killer Croc, King Tut, Bullock and Bane are all villains of the Batman series as well as some villains that appeared in the comics. They have been listed as separate characters or alternate characters of those who are part of the Batman series. The Batman film franchise comprises of three television series, two films, and a spin-off short film. After a short gap between the second film and the third, a planned fourth film was canceled by Warner Bros. The Gotham City Police Department series introduced Gordon, Jim, Selina and Harvey as new members of
