REPACK Elden RingSKiDROW [+ DLC] (Final 2022)

The latest fantasy action RPG published by BANDAI NAMCO Entertainment Europe. • A vast world with three-dimensional dungeons that you can freely explore Explore a vast world with three-dimensional dungeons connected smoothly as you travel on foot or by ship. As you explore, the joy of discovering unknown and overwhelming threats await you. • Create your own unique character In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. • An epic drama born from the myth of the Elden Ring In this fantasy action RPG, a multilayered story with a contemporary feel is expressed through fragments of a multilayered drama. As the author molds fragments from myths and fairytales, the drama is expressed in a new form where the various thoughts of the characters intersect. Ubisoft®"Ubisoft is a leading producer, publisher and distributor of interactive entertainment products worldwide and has cemented its position as a global brand by offering a unique portfolio of products and services." • Introducing the Legends of Wesnoth Game series on the Nintendo Switch Ubisoft's "Legends of Wesnoth®" Game series on the Nintendo Switch will also launch as a digital-only release in the summer of 2019. The Walking Dead: The Final Season from Skybound Entertainment® "Skybound Entertainment is a genre-defining entertainment company that creates bold, original storytelling. With their extensive and highly respected portfolio, Skybound have found success with huge brands such as The Walking Dead, Star Trek and Fallout." • Skybound Entertainment's first game launch "The Walking Dead: The Final Season" from Skybound Entertainment, an indie game developer based in Dallas, TX that Skybound acquired in November 2018, will be the first of several titles that will be developed with the company. In addition to the "The Walking Dead: The Final Season" game, Skybound will be developing two episodic games – "The Last of Us Part II" and "Thief," which will be released in 2020 and 2021, respectively, on the PlayStation® 4 computer entertainment system and Xbox One, as well as the Uplay™ service – a destination for gamers to discover, play

Elden Ring Features Key:

The world full of excitement

- Open Fields and Large Dungeons which will test your wits
- Numerous Lurk and Collect abilities that give you a variety of ways to approach the enemy
- Customizable Dual or Single Wield Character

The Myth of the Madness Guide

- A Myth which illustrates countless stories that come to life in the reality. The story begins with the Rift Gwaye, a warrior which draws another world. The world is divided into the Lords and the Rithas. The lords are the ignorant, spread their power away, and the Rithas are the defenders, who pursue and destroy them. The battles between them end in the lands between; the origin of the Elden Ring, which has been lost for a very long time.
- Stand and Melee combat Single Wield Combat is mapped as Attack while Dual Wield Combat as Directional Swing. A high attack speed is combined with a strong combo for stylish attack patterns.

  Stand: With the motion of lifting your arms you keep your guard raised, defending to the best of your ability. Your turn is a bit short but it's very suitable for jumping attacks and it's a very convenient way to defend.

  Melee: With a timing of blocking the enemy you can avoid attacks or attack before you

defend, depending on your preferences. You can usually parry but it's hard to block on a standing attack.

Customizable Character Formation

- Swinging Follow-up Attack
  In addition to the standard attacks, Dual Wield Character can execute high-speed follow up attacks by firing two attacks while pressing both action buttons at the same time.
- Light and Heavy Paired Attack
  Light Paired Attack is mapped as Break, and Heavy Paired Attack is mapped as Strong.
- Customizable Character Equipment
  - Equipment can be upgraded and downgraded
  - Character Equipment can be exchanged with other characters in Multiplayer
