NOTE: Requirements For Using This Tool: You will need to be connected to internet through. Iphone is quite an extra ordinary phone and it is in demand a lot which also reason for. Once you factory reset the iphone you will get the blue label screen as shown below in the picture.FIG. 1 illustrates a typical assembly 100 in accordance with the prior art. The assembly 100 includes a door 110, a body 120, and a handle 130. The door 110 is mounted to the body 120 with hinges. The hinges 130 provide for movement of the door 110 between a closed position, illustrated in FIG. 1, and an opened position, in which the door 110 is rotated away from the body 120. A latching mechanism (not shown) is provided to maintain the door 110 in the closed position. Such a latching mechanism may include springs, springs loaded on latching pins, magnets, magnet loaded on latching pins, fluid pressure devices, or other known mechanisms. In a latching mechanism, the latching mechanism may be included in a chamber at one end of the door 110. In other embodiments, other latching mechanisms may be used. A handle may be provided, such as a door handle, for opening and closing the door 110. When the handle 130 is engaged with a groove in the door 110, the handle 130 may be rotated into engagement with one or more latches that correspond to the groove of the door 110. Such a handle 130 may be an arc-shaped handle that may be configured to conform to the shape of the body 120. For example, one or more openings within the handle 130 may receive a rotation control assembly, such as a rod or cable, that may cause the handle 130 to rotate with respect to the body 120. Further, one or more openings within the handle 130 may accept a set screw or other fastener that may be adjusted to adjust the size and/or location of the groove into which the handle may be inserted. The door 110 may be a variety of designs, including a sliding door, a bi-parting door, a swinging door, a hinged door, or other types of doors. Moreover, the door 110 may be any suitable size to suit an individual's needs. For example, the size of the door 110 may vary from as small as a pocket door to as large as a 6d1f23a050
